

# Come Join the Sol - a - bration

A once-in-a-lifetime event will grace the skies of Ohio.  
Sol, our sun, will be totally shadowed by Earth's Moon.

Join Us on the Path of Totality !

- ❖ Talks about Space Exploration and the Eclipse,
- ❖ Safe viewing of the eclipse through special glasses & telescopes with solar filters for eye protection
- ❖ Live Music by the Glenn Band,
- ❖ Stroll the Solar System Walk and explore the Milky Way,
- ❖ Refreshments available for purchase,
- ❖ Games, Contests and other family-friendly activities.
- ❖ Bring Your Lawn Chairs & Blankets!
- ❖ Limited Parking and Admission are Free!

**Monday, April 8, 2024**  
**11:00am - 5:00pm**  
**LaGrange Community Park**  
**422 West Main Street**  
**LaGrange, OH 44050**

# Sol - a - bration Needs Your Help !!

On April 8, 2024,  
LaGrange Community Park  
and the LaGrange Lions Club  
will host a family friendly event  
for the community to share a  
once-in-a-lifetime Total Solar Eclipse

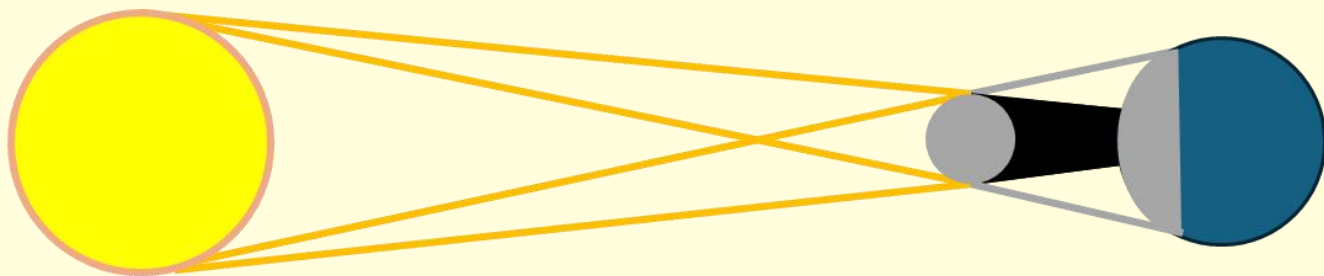

We need community volunteers to:

- help with parking
- serve as guides
- staff games and contests
- help talk to the public  
about the eclipse,

And we need amateur astronomers  
who have telescopes with solar filters  
to share their knowledge of astronomy  
and permit folks to view the surface  
of Sol

To Volunteer to Staff Sol - a - bration  
Please contact: Jeff Woytach
